

## **The Depth of our Belonging: Mysticism, Physics, and Healing**

You are invited to join a book group reading *The Depth of Our Belonging: Mysticism, Physics, and Healing* (Producciones de la Hamaca, 2021) by Mary Conrow Coelho starting Thursday, October 7, at 7:00 pm on Zoom and continuing on first Thursdays for 5 months. The group is led by Cornelia Parkes and Mary Coelho and sponsored by the Adult Spiritual Education Working Group. You may join at any time.

The book is both a personal and sacred story. We will explore and celebrate changes in worldview that are a gift to Quakerism. There is no need for special knowledge of science. We will seek to enter deeply into a sacred story that includes the natural world. Christianity, understood in the context of the new story, finds a home in this new worldview. We will discuss the text and practice *visio divina*, sacred seeing, or seeing with the heart using Mary's beautiful watercolors that decorate the text.

Mary's book is available from Amazon or on order from your favorite bookstore.
